

Progress Report

Stand Ups

1. What was achieved last week?

- Last week, we continued working on our assigned tasks and made progress on them.

2. What is the focus for today?

- Today, we will continue and try to finish our ongoing tasks.

3. What blockers exist

- Some tasks take too long to complete, which slows down our progress.

Retrospective

1. What went well

- We were able to continue our tasks and stay consistent with our work.

2. What didn't go well?

- Some tasks were too time consuming and slowed us down.

3. What should we start doing?

- I will start to check what are the progress of the frontend and backend.

4. What should we stop doing?

- We should stop spending too much time on tasks that take too long.

5. What should we continue to do

- We should continue staying focused and working consistently on our tasks.
